

## Tewkesbury C ofE Primary School Student Council

Date; 15.9.09

Apologies; none

Chair; Tommy Andre

Secretary; Sophie Nixon

Teacher Facilitators; Mrs. Green and Mrs. Meadows

- Golden Time, the school council wanted suggestions to make Golden Time even more special.
- Year 4 wanted the chance to dress up and a rota for the computer room.
- Year 5 thought about making food, games on the IWB, videos in the library for borrowing, board games, treasure hunts, music ( discs and instruments)
- Year 1 wanted more outside games and to bring in toys from home .
  
- A buddy bench to be introduced in the playgrounds, the governors have asked the Student Council to consider having a bench in each playground where children could sit if they had nobody to play with. The council thought this was a good idea but are going to take it back to class councils. It was suggested that the benches could be signposted so that other children realize the children sitting on the benches need a friend!
  
- The School Council Newspaper, it was discussed what articles to put in the paper;  
sports/clubs, School Council Report, interview a member of staff, latest news, meet the School Council (edition 1), puzzle page, letters page, special notices, quotes and a garden report. Council representatives decided which articles they would write and then we will meet up on September 23<sup>rd</sup> to try and compile the newspaper. The first edition will be free and then after that 20p which will raise money for Golden Time.

### AOB

- The equipment in the junior playground needs to be looked at again because some of it is unsafe to use.
- Would it be possible to have a menu in each register to remind everyone what is for dinner each day?

Date of next meeting; Tuesday 20<sup>th</sup> October
