Re120rts from class councils

Year 3; For Golden Time could there be more dvds in the hall, mini games such as golf? Would it be possible for children to go to the library if they did not want to go out to play? Can we have cloakroom monitors because things are going missing? To be organized by each class.

AOB

* The school newspaper so far has been unsuccessful due to the lack of reports. If the council want this to continue Mrs. Green will need articles by 30th November for a paper th to go out on the 4 December.

* Tommy and Sophie need to see Mr. Holt about going to the retirement home. A council rep has asked the residents of Burton Hall if they would like us to visit and they are very keen.

* Could there be more clubs? Perhaps they could be held at lunch time. A rep to see Mrs. Rouse about doing Story Club again.

*Year 2 would like to fInd a room to do Letters and Sounds. Any suggestions?

*Each class still want more Golden Time toys. Take this back to class councils to discuss ways of raising money. Possible suggestions; toy sale, uniform sale, sponsored run.

*Class councils need to discuss behavior and bullying. Mr. Fisher works a system where the children have to earn their Golden Time.

*The council decided that it would be a good idea to have a suggestion box in each class which we could discuss at council meetings. The older children would have to read the minutes themselves to make suggestions.

Date of next meeting; Thursday 10th December 2009
