

Dear Parents/Carers,

***Our topic this term is 'Where will my wellies take me?'***

**Our topic launch**

- Settle into school and learn new routines.
- Learning how to make friends and sharing.
- 'Super Me!' Children to share their 'Super Me' information and learn about similarities and differences between themselves and friends.
- Paint portraits looking closely at what makes them unique.
- Welly walk in the environment (autumn leaves).
- Woodland themed stories.

**Our topic landing**

- 'Wonderful Welly Walk!' A celebration day with lots of activities based on our topic.
- Further information and date to follow.

**Chat to your child about the following:**

- Try to encourage your child to chat about their day at school.
- Share stories, songs and rhymes.
- Getting dressed and undressed independently!
- What they see and hear in their local environment encouraging them to use their senses.
- The colours of Autumn and the changes they can see.

**Next week your child will be decorating a special book in class. If your child has a particular interest please could you send in something to show what is special to them. For example, magazine cuttings of their favourite toy, wrapping paper of something they like (favourite colour, flowers, football, rockets, animals etc)**

**By Monday 9<sup>th</sup> September please.**

We are all looking forward to enjoying this exciting term and helping your child to enjoy settling into school!

Thank you,  
Miss Rowland

**Important information:**

- P.E will start on Friday 13<sup>th</sup> September, so please make sure your child has a named P.E kit – black or navy shorts and a white/plain t shirt. Your child **does not need** any PE pumps until the summer term in school.
- A fruit snack is provided by the school so there is no need to bring one for your child and please remember **they will need their water bottle everyday.**
- During the Autumn term **Welly Boot sessions** will be on a **Thursday**. Please ensure your child has their wellies, named and in a bag to hang on their peg. It is always helpful if they have a long pair of socks to wear too.
