HELP US TO KEEP YOUR CHILDREN SAFE

The children have settled back very quickly into the routines of school life. Last week the children of year 1 struck up a pose for their topic and were all dressed in outfits of their own choice. Today I was surrounded by Pirates and wonder what tomorrow will bring!

At the end of each day the playground can be chaotic and it is easy for one of our children to follow other parent off site. I have directed the children now that if they don't see the person designated to collect them that they must return into school and wait in the main reception area where they can be reunited.

Children who walk home alone are being encouraged to leave the school promptly as it is difficult for the staff to ascertain if a parent is late or if a child is just playing! Parents are reminder that those just playing are not being supervised by staff and therefore are in danger of hurting themselves. We would appreciate your support in hurrying the children along.

Macmillan Coffee Morning

This is an incredible organisation that most of us have had or will have an association with. The role they play in supporting families through difficult and traumatic times is invaluable. The year 6 children will be organising the event and any contributions of cakes would be most welcome. Children should bring no more than 50p to buy one cake.
