Do we have the X Factor?

We are well into the routines of school life now with trips, clubs and homework well underway. One of many exciting things planned this term is a visit from a mobile recording studio for a day. The whole school is going to record an album of Christmas Carols. Throughout the day each class or year group will record a track including the staff. Over the coming weeks the children will be brushing up on their performances. The staff track is a closely guarded secret! There will also be a competition to design the CD cover with the winner receiving a free CD.

IN THE NEWS

Last week our year 2 children launched their topic with a visit to Weston-Super-Mare and appeared on a news item about the town's tourist industry. If you log onto www.itv.com/westcountry-east/weston-promotion-row58089 you can catch a glimpse of them riding the mini train.

COLDER WEATHER

As the weather is changing please make sure your child has a coat in school for swimming and outdoor play.

A REMINDER

Macmillan Coffee Morning

On Friday 23rd September we will be having a cake sale for the children in aid of the Macmillan Foundation. This is an incredible organisation that most of us have had or will have an association with. The role they play in supporting families through difficult and traumatic times is invaluable. The year 6 children will be organising the event and any contributions of cakes would be most welcome. Children should bring no more than 50p to buy one cake.

HARVEST FESTIVAL

Our Harvest festival celebration is next Friday 30th September at Holy Trinity church. The service starts at 9.30am. We would love to welcome everyone to our celebration. Donations can now be brought into class and fresh produce on the day. At the end of the day we will have the traditional sale of the harvest in the school hall. All proceeds will be donated to a nominated charity.

New Chair for PTFA

Following the PTFA AGM we are delighted to announce the new Chairs. Mr Adam Sallis and Billy Gardiner will be joint chairpersons. There are many exciting things planned on the horizon so watch this space.
