

### Art & Design

- Who is George Seurat and why is he famous?
- What is the technique 'pointillism' and how can we use this to replicate Seurat's technique?
- What are the names of the primary colours?
- What happens when we mix two primary colours together?
- What forms of line can I use to create my own painting?

### English

- Using finger spaces, capital letters and full stops.
- Focus on sentence structure and segmenting sounds in words using a range of well-known texts: Stick Man, Oi Frog, Dear Zoo & The Tiger Who Came to Tea.

### Physical Education

- Fundamental skills- to explore different ways of moving and exploring balance.
- Gymnastics-to explore different ways of travelling, jumping, rolling and linking sequences.

### Music

- Can we find the pulse / beat /rhythm of a song?
- What style is this music and how does it make us feel? (with a particular focus on Hip Hop and Reggae)

### Computing

- Creating Media-Digital Painting

### Maths

- Number and Place Value (within 10)
- Addition and Subtraction (within 10)
- Geometry – 2D and 3D shape

### Religious Education

- What do Christians believe God is like?
- Why does Christmas matter to Christians & how do people celebrate it?

## *Me, Myself and My World* *Autumn Term* *Values: Hope & Peace*

### History

- What is the past / present / future?
- How can we find out about the past?
- What information sources can we use?
- What are the similarities and differences between **toys** now and in the past?
- What are the similarities and differences between **homes** now and in the past?
- What are the similarities and differences between **school** now and in the past?
- What are the similarities and differences between **clothes** now and in the past?

### Science

#### Plants and Animals

- What are different parts of the body called and what are their uses?
- What are the 5 senses and which body parts are these associated with?
- How can we classify animals into the groups of: fish, mammals, birds, amphibians and reptiles?
- What do these animals have in common?
- What is a carnivore, herbivore or omnivore?
- Can we sort animals according to their diet?
- What are the different seasons and what is the weather like at different times in the year?
- What are the different parts of a plant called and what are their purposes?
- What happens to a plant over time-can we observe and record?

### Design and Technology

- What is a moving book?
- What are levers, sliders and pivot points?
- Can you predict which direction the page/ item will move?
- Can you make a moving Christmas Card?

### Enriching Experiences

- Visit to the library as part of our REAL Curriculum
- Animal experience (link to science)
