SECTION 1 – COMPLIANCE AND GENERAL STATEMENT

This policy complies with the statutory requirement laid out in the Special Educational Needs and Disabilities Code of Practice 0 – 25 Years (April 2015) and has been written with reference to the following guidance and documents:

- Equality Act 2010: advice for schools DfE Feb 2013
- SEND Code of Practice 0 -25 Years (April 2015)
- Schools SEN Information Report Regulations (2014)
- Statutory Guidance on supporting pupils at school with medical conditions (Dec 2015 Updated Aug 2017)
- Safeguarding Policy
- Accessibility Plan
- Teachers' Standards (2012)
- United Nations Convention on Rights of the Child (1991)

This Policy has been created to ensure compliance with the Department of Education's SEND Reforms, which address measures outlined in the Children and Families Act 2014. The Act includes changes to the support and services children and young people with special educational needs and disabilities will receive. These changes came into force on 1st September 2014. This policy has been created by Marika Hortop in liaison with the Headteacher, SEN Governor, SLT and staff, with due regard to the input of parents and pupils with SEND.

Tewkesbury C of E Primary School is located in Gloucestershire, serving a diverse community with a commitment to inclusive education. Our school ethos is built on the principles of equality, respect, and opportunity for all students, regardless of their background or abilities.

We are dedicated to providing a nurturing and supportive environment where every child can shine. The school has a robust infrastructure to support students with special educational needs and disabilities (SEND), including specialised staff, resources and tailored learning programs. Our approach is holistic, focusing not only on academic achievement but also on the social, emotional, and physical well-being of each student.

We pride ourselves on our close collaboration with parents, external agencies, and the wider community to ensure that our SEND provision is both effective and responsive to the needs of our pupils. This collaborative approach ensures that every child receives the support they need to succeed, both academically and personally.

At Tewkesbury C of E Primary, we believe that inclusion is a shared responsibility, and we work hard to create a learning environment where all students feel valued and empowered to achieve their full potential. Our staff are highly trained and committed to continuous professional development to ensure the highest quality of SEND provision.

In compliance with the SEN Code of Practice, 2015 and SEN Reforms, there is a graduated approach to the identification, provision and support of all pupils which includes a period of close monitoring and targeted provision prior to the consideration being given to place a child onto the school Record of Need (RON). Should a pupil require provision that is additional and different they are placed on the RON under one single category, namely SEN Support. Their provision will be identified and progress monitored via Individual Provision Mapping.

This policy sets out our commitment to raising the aspirations and expectations for all pupils with SEND, including those identified as Gifted and Talented.

SECTION 2 – AIM (THE LONGER VIEW)

The overarching aim of this policy is to ensure that the needs of pupils with SEND, and the barriers to their learning, are accurately identified and effectively met so that they are able to achieve well and develop well, both as individuals and as members of the community, living life with dignity and independence.

(UNCRC Article 23)

To this end, we aim to:

- a) Assess pupils accurately, track their progress regularly and adjust provision in the light of ongoing monitoring.
- b) Ensure that lessons are stimulating, enjoyable and adapted to meet the needs of all pupils, including those with SEND.
- c) Ensure that teaching and learning is multi-sensory.
- d) Make sure that additional support is well targeted, using a judicious blend of in-class support and withdrawal.
- e) Use the most appropriate resources to support learning, taking into account individual learning styles and ensuring that the development of pupils' literacy skills has the highest priority.
- f) Continuously monitor and evaluate the effectiveness of our provision for all pupils, including those with SEND, to ensure that we are providing equality of educational opportunity and value for money.

Objectives:

Through the application of this policy, we wish to:

- a) Ensure compliance with National SEND Policy, most currently the DfE SEND Reforms, Children and Families Act 2014 and the SEND Code of Practice 2015.
- b) Work closely with the LA in developing their Local Offer and complying with locally agreed policies and procedures.
- c) To operate a 'whole pupil, whole school' approach to the management and provision of support for SEND.
- d) Ensure all staff implements the school's SEND policy consistently – fully endorsing our belief that every teacher is a teacher of every child including those with SEND.
- e) Ensure that there is no discrimination or prejudice.
- f) Ensure all pupils have access to an appropriately adapted curriculum.
- g) Recognise, value and celebrate pupils' achievements at all levels.
- h) Work in partnership with parents/carers in supporting their child's education.
- i) Guide and support all school staff, governors and parents on SEND issues.
- j) Meet the individual needs of all children irrespective of whether they have physical, sensory, emotional, social, mental health, specific or general learning needs.
- k) Provide appropriate resources and ensure their maximum and proper use.
- l) Involve the pupil in the process of identification, assessment and provision and to ensure that the pupil is aware that his/her wishes are taken into account as part of the process and of the shared responsibility in meeting his/her educational needs.
- m) To provide an appropriately qualified Special Educational Needs Co-ordinator (SENCO) who will oversee and work with the SEND Inclusion Policy.
- n) To provide support and advice for all staff working with pupils who have SEND.
- o) Support pupils with SEND to develop their personality, talents and abilities to the full. (UNCRC Article 23)
- p) Encourage all pupils with SEND to develop a respect for human rights, respect for parents, their own and other cultures and the environment. (UNCRC Article 29)

SECTION THREE – IDENTIFYING SPECIAL EDUCATIONAL NEEDS

A child has a learning difficulty or disability if he/she:

- greater difficulty in learning than the majority of children of his/her age. and/or
- a disability which prevents or hinders them from making use of educational facilities/ provision that is normally available.

In addition, we identify special educational needs within the context of the usual adapted curriculum of the school. Pupils are identified as having SEND if they are not making progress within a curriculum that:

- a) sets suitable learning challenges
- b) responds to pupils' diverse learning needs
- c) aims to help pupils overcome potential barriers to learning

In accordance with the SEND Code of Practice 2015, four broad categories of need are identified:

- Communication and Interaction
- Cognition and Learning
- Sensory and/or Physical Needs
- Social, Mental and Emotional Health.

Whilst it is clear that the purpose of identification is to work out what action the School needs to take, it is not our purpose to fit a pupil into a category and serves solely to identify the needs of each individual pupil by considering the whole child, not just his/her special educational needs.

The school will always take needs that are NOT SEND but that may impact on progress and attainment into account for example:

- Attendance and Punctuality
- Health and Welfare
- EAL
- Being in receipt of Pupil Premium
- Being a Looked After Child (LAC)
- Being the child of a Serviceman/woman

The identification of behaviour as a need is not an acceptable way of describing SEND and any concerns relating to a child's behaviour will be described as an underlying response to a need which the school has recognised and identified clearly.

SECTION 4 – A GRADUATED APPROACH TO SUPPORT OF SEND AT Tewkesbury C of E Primary School

At Tewkesbury C of E Primary School all teachers are responsible and accountable for the progress and development of all pupils in their class including where pupils access support from specialist staff and teaching assistants. High-quality teaching, adapted for individual pupils, is the first step in responding to pupils who have SEND. 'Quality First' teaching is a priority of the school. It is regularly and rigorously monitored and there is a focus on continual improvement of the teaching of all pupils, including those at risk of underachievement. This includes reviewing and, where necessary, improving teachers' understanding of strategies to identify and support vulnerable pupils and their knowledge of the SEND most frequently encountered. Close liaison is maintained with all members of staff by the SENCO to ensure that pupils are only identified as having SEND if they do not make adequate progress once they have had appropriate interventions/adjustments and good quality personalised teaching.

Details of the provision on offer at Tewkesbury C of E Primary School can be found in the School Offer in the SEND section of the School's Website (<https://www.tewkesbury-primary.co.uk/information/send>)

and on the local authority website

Levels of Need

Tewkesbury C of E Primary School's Graduated Response consists of three levels as follows:

Cause for Concern

This refers to pupils who may, for some reason, have fallen behind and require some additional input to catch-up. A pupil in this category may have one or more of the following indicators:

- Be at risk of not meeting their targets
- Currently working at a standard below National expectations and their targets will not bring them above this level
- New entrants to the school whose needs are still being assessed
- Currently have barriers to their learning e.g.
 - Their behaviour is disruptive
 - There are attendance/lateness issues
 - Concerns over their mental health
 - The family is currently experiencing challenges
 - They have EAL (English as an Additional Language)

All class teachers are required to keep a list of pupils who they are monitoring at Cause for Concern level and to identify and implement strategies to address their needs to enable them to catch-up. This will involve conversations between the class teacher, SENCO and parents which will include problem-solving, planning support and strategies for the individual pupils.

Pupils at this level of need DO NOT form part of the School's Special Needs Register and, in line with the Code of Practice, the School ensures that everything is done at an early stage as possible to avoid the need for SEN Support. However, if after a period of time, an individual does not catch-up, it is at this point that consideration will be given as to whether they need SEN support.

SEN Support

Pupils are placed on the Special Needs Register at this level after assessment and consultation between the SENCO and Class Teacher when it is established that they have a significant learning difficulty and need provision that is **additional and different**.

At this point, parents/carers will be informed of the decision and the school will continue to work in partnership with them, listening to their views and those of the pupil, and involving them proactively in planning and decision making. This will take the form of a termly 'Assess - Plan - Do - Review Cycle.'

Assess

- Teacher's high-quality, accurate formative assessment and experience of child
- Pupil progress, attainment and behaviour
- Development & attainment in comparison to peers
- Views and experiences of parents
- The child's own views
- If relevant, assessments, views of and advice from external services.

Plan

A My Plan will be drawn up by SENCO & class teacher in consultation with parents and child. It will include:

- The outcomes agreed for the next term
- The support and interventions to be put in place
- The expected impact on progress, development or behaviour
- A clear date for review
- A copy will be given to the parents.

Do

- The class teacher remains responsible for working with the child on a daily basis and works closely with TAs or specialist staff to plan and assess the impact of the interventions.
- The SENCO supports the class teacher in the further assessment of the child's particular strengths and weaknesses, in problem-solving and advising on the effective implementation of support.

Review

- Parents will be invited to attend review meetings with the SENCO or class teacher and their child, or give input to the review at least termly, in order to monitor/ review the effectiveness of the support and the impact on the child's progress.
- A new My Plan will then be drawn up and parents will be given copies.

Involving Specialists

If a child continues to make little or no progress over a sustained period or where they continue to work at levels substantially below age expected despite SEN Support, the school will involve specialists including those from outside agencies. The views of parents/carers and the child are considered at all levels of intervention.

Education, Health and Care Plan

Pupils who need more specialist provision and whose needs cannot be wholly met at SEN Support level will be the subject of Statutory Assessment. This is applied for by the SENCO who obtains the views and information about the child from all other professionals involved in their education, health and/or care. Parents/Carers views and those of the child are obtained and will be considered so that a recommendation for an EHCP to be made to the Local Authority. The LA then consider the application and issue an EHCP as appropriate.

There is a statutory requirement to review an EHCP annually. A review meeting is held at the school with parent, child and all professionals involved invited to attend.

In addition, pupils with an EHCP are subject to the Assess-Plan-Do-Review Cycle.

The SENCO is responsible for:

- a) Assessing specific needs of students with SEND, including application for Statutory assessment.
- b) Liaising with other schools to aid transition
- c) Ensuring all relevant information is forwarded on to new school.
- d) Day-to-day operation of the School's SEND Policy
- e) Liaising and advising class teachers and support staff.
- f) Maintaining the SEN Register (Record of Need) and the records of all pupils with SEND.
- g) Liaising with parents/carers of pupils with SEND.
- h) Liaising with external services including the Educational Psychology Service, Social Care, Early Support etc
- i) Planning, attending/holding review meetings for pupils with SEND including those with an EHCP.

SECTION 5 - CRITERIA FOR EXITING THE SEND RECORD OF NEED

The SENCO has responsibility for the removal of a pupil from support on the SEN register at Tewkesbury C of E Primary School. The decision will be dependent upon appropriate progress being made towards set targets and in conjunction with appropriate teaching staff/outside agencies and parents.

SECTION 6 – SUPPORTING PUPILS AND FAMILIES

- Families of pupils with SEND are guided towards the County Council Local Authority's Support Service e.g. Glos Families Website
<https://www.glosfamiliesdirectory.org.uk/kb5/gloucs/glosfamilies/home.page>

- The School's policy on managing the medical conditions of pupils can be found on the school website.

- **Some** pupils may also have SEND and may have an EHCP which brings together health and social care needs, as well as special educational provision and the Code of Practice (2015) is followed.
- The school has a number of members of staff trained in Paediatric and General First Aid and, where appropriate, staff are trained in managing the medication and other treatments of pupils with medical conditions. SECTION 9 – TRAINING AND RESOURCES
