

Tewkesbury C of E Primary School

WEEKLY NEWSLETTER

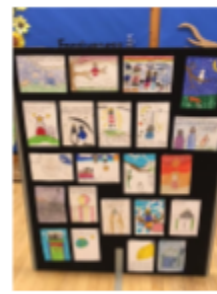

16th September 2022

A message from Mr Rylatt...

It's been another fantastic week at Tewkesbury C of E. Walking around the classrooms and seeing the children so captivated in their learning has been brilliant. It was also lovely to welcome all of our new Reception children into school, seeing their smiling faces as they arrived each afternoon really made our day! We look forward to welcoming them in for the mornings next week. We were also really pleased to be able to welcome you back into school for our teacher meetings and it was great to see so many of you involved.

You may have noticed a new addition to our school field during pickup, as we now have a brand new sand pit for all of the children to enjoy at lunchtime. Everytime I popped out to have a look, the children were absorbed in building sandcastles and digging for treasure. The only problem we've found is that it's been really hard to get the teachers out of there! Developing the sandpit was only possible thanks to the money that you raised from our scooterthon, so we all wanted to say a big "thank you" for all of your donations. We'd also like to say a big "thank you" to Mr Hoare, Mr James and Mr Stagg who worked tirelessly throughout the summer to get it ready.

Over the course of the week, some of the children have been busy creating pieces of work inspired by Queen Elizabeth II. This work will be on display in the hall, at the end of the day today. We would love you to pop in, after you've picked your child up and have a look.

A message to you all, from James Blockley

"Dear parents and carers,

I wanted to let you know that after nearly two years I have stepped down as Chair of Governors for our school. During this time the team and I have led on recruiting two headships and guided the school through the challenges brought by the pandemic. I am extremely proud of what we've been able to achieve, and have no doubt whatsoever that the new chair, working with Mrs Farren and Mr Rylatt will lead the school into a brighter and more secure future. Thank you so much for your support and your resilience during this time. I look forward to seeing you at the gate some time soon. James."

We would like to take this opportunity to thank James for the incredible help and support that he has given the school in his time as both a governor and the Chair of Governors. We have been incredibly grateful for the work that James has done for this school and we feel privileged to have had him as our Chair of Governors.

Day	The School Day	After School Activities	Lunch Menu Week 3
