

Tewkesbury C of E Primary and Pre School

WEEKLY NEWSLETTER

27th January 2023

A message from Mrs Farren and Mr Rylatt...

It's been another busy but rather lovely week here at C of E. The children have been really engaged in all of their activities within the class and have been supporting each other outside too as they were tasked with 'colouring the community in kindness' at the beginning of the week. We asked them to extend this kindness to home too, so hopefully you've seen them helping you in some way or another. Please let us know if there are any acts of kindness that your child has taken part in at home, so we can celebrate this in school.

Visitor for Year 5

Year 5 had members of The John Moore Museum come into their classrooms to bring along some of their natural history collection for pupils to see and touch. Pupils were able to view the different birds and mammals (including a fox, otter, hedgehog, robin and duck), consider what makes them similar and different, discuss the habitats they are from, examine their physical adaptations and question what they need to thrive. They all loved it and couldn't believe how soft an owl actually was!

A message from School council

On Friday 6th February, the School Council will be running a cake sale on Number Day. We are asking for help from the staff and from the year six pupils and parents to help provide the cakes to sell. If you are able to help us (the School Council), and bring in some cakes on Thursday 5th February, we would be very grateful!

Cakes can be homemade (please include a list of ingredients for children with allergies) or shop-bought. Any cakes will be sold during the Friday break time.

Many thanks,

School Council

This week's focus

This week, the children have been asked to colour the community with kindness by doing kind things both at home and at school. There were lots of children happy to share some of the helpful acts that they had done this week, such as tidying their bedrooms, helping clean up the classrooms and helping their friends at home. By doing these kind things, it'll help to brighten up our community.

Disabled parking spaces

A polite reminder that some of our parents need to have access to the disabled parking spaces in the school car park. If you do not have a blue badge, please can you not park in the disabled spaces at drop off or pick up times. Equally, please can we make sure that the spaces are not blocked with bikes and scooters at the end of the day, as this makes it very hard for people who need to use the spaces to park and get their child in and out of their vehicles.

Philippians 2:15 "We shine like stars in the sky."
