A message from Mrs Farren and Mr Rylatt

Welcome back! We hope you had a great Easter break. It's been lovely to witness the bright smiles on everyone's faces as they arrive at school each morning, brimming with stories of their holiday adventures. The sunshine has definitely been a welcome change and it's been wonderful to see the children enjoying the outdoors and observing the awakening of plants and wildlife.

We have a lot of exciting things planned for the summer term, including opportunities for the whole school community to come together and get involved. We're looking forward to a term filled with fun and memorable experiences for everyone and we can't wait to see what the coming months have in store for us!

School Council

Some school council members have been spending their time helping to make the peace garden look a bit tidier and more inviting. They have spent some of the proceeds from the cake sale, earlier in the year, buying herbs, plants, a wind chime and a stone tortoise to make the area look ready for the summer! They have also decided to paint an old bench with all of our values. We think they've done a wonderful job!

Preschool

Our preschoolers are back with boundless energy, ready to embark on exciting new adventures! They've been thoroughly enjoying a range of activities inspired by the wonders of the natural world. Witnessing their curiosity and creativity flourish as they immerse themselves in these experiences has been truly uplifting.

Some of our Year 6 children lead this week's collective worship

On Thursday, a group of Year 6 children led the school in collective worship centering on our term's value of Community. This assembly consisted of discussing the different communities we are part of, a quiz and a drama which showed us that when we work together as a community, great things happen. It was great to see the children present so well and to get the school to discuss what makes good communities. A big thank-you to Esther, Peighton, Layla, Bruce, Naamah and Beatrice who all contributed.

Summer term club list

Here is a list of the summer term extracurricular activities. Some will be for Summer Term 1 only, some for Summer Term 2 only and others for both terms. Please also see that Drama club will now finish at 4:30pm (drama club can not accept any new sign ups this term, due to their forthcoming performance).

Access to sign up for clubs will be via the school gateway app, opening at 6pm tonight (Friday 12th April). This does not include paid clubs, this term's drama club or invite only clubs.
