

Tewkesbury C of E Primary and Pre School

WEEKLY NEWSLETTER

17th May 2024

A message from Mrs Farren and Mr Rylatt

As we celebrate the completion of SATs, we want to take a moment to acknowledge all the hard work and dedication our Year 6 children have put into their studies. These tests are just one measure of your abilities, but they don't capture everything that makes you unique and exceptional.

The SATs don't measure your creativity in art, your talent in music or your excellence in sports. They don't know that some of you speak two languages, showcasing your incredible linguistic skills. They don't recognise the kindness you show to your classmates, the leadership qualities you possess or your ability to solve problems in innovative ways.

These tests can't capture the joy you bring to the school, your perseverance when faced with challenges or your sense of humour that brightens everyone's day. They don't see your dedication to extracurricular activities, your enthusiasm for learning new things or the dreams and aspirations you hold for the future.

We are incredibly proud of each and every one of you, not just for your efforts in carrying out these tests, but for the wonderful individuals you are becoming. Remember, the SATs are just a snapshot in time, but you are all so much more than that. Keep striving, keep growing and keep shining in all that you do.

Congratulations, Year 6, on all of your achievements!

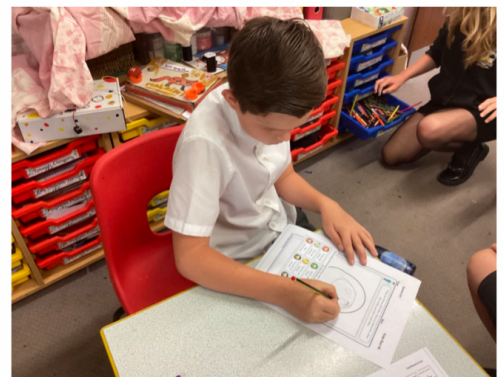

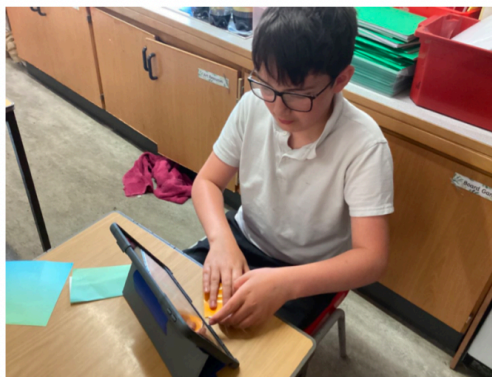

Philippians 2:15 "We shine like stars in the sky."

Year 6 Enjoy their post SATs picnic

Japanese Week in Y6

This week, Year 6 have enjoyed Japan Week in their afternoons. They started the week by learning about Japan's geographical location before enjoying some art lessons where they designed Daruma dolls (traditional goal-setting goals) before moving onto origami which certainly tested their resilience and determination! The children have really enjoyed their creative lessons this week so we will be making it Japan Fortnight and learning more about this incredible culture!

More fun in Year 6 this week

As the children neared the end of SATs week, they enjoyed a fun PE session where they were blindfolded and directed around our OPAL obstacle course by their partner. Miss Davis even had a go (albeit she ended up with a bumped head as the instructions didn't quite happen quick enough!)

The children then expressed an interest in joining our reception children and playing with them... as you can tell from the pictures, they had great fun!

This week Year 1 received a letter from Mrs Grinling. The Lighthouse Keeper's Wife.

She wanted to make her infamous 'Iced Sea Biscuits' but unfortunately her recipe book had got so dirty with food, she could no longer read the recipe.

She wondered if the Year One children could help her. She left them the ingredients and they worked out the instructions for making them, the children then wrote down their instructions using time conjunctions and imperative verbs!

Break the Rules day
